Floating Cloud Tai Chi, in partnership with **Orange County Parks & Recreation** is now offering a **HALF OFF TUITION** coupon for an eight week session of Tai Chi training to any current Tai Chi student who **SPONSORS A FRIEND** (friend, spouse, or relative).

This is a sponsorship of a “NEW” Tai Chi student who wishes to try Tai Chi for at least one session (with no further obligation involved).

This means **HALF OFF** for one eight week session for **BOTH the sponsor AND the new student**... regardless of whether or not the new student decides to continue after the eight week trial period. This applies to any class level - Introduction, Intermediate, or Advanced level classes.

Any student may continue to sponsor any number of friends...
(but limited to two in any eight week session).

As usual, all Tai Chi classes are always FREE for any Dogwood Village resident or employee of either the Senior Living or Rehab facility.
